REJECTED

Damaged or broken device

Your used part can go for *a second life!* Return it to WABCO and get your refund!

When you buy remanufactured part from WABCO Reman Solutions and return your used cores to us, you will get a **refund!** On top of that, by producing less waste, you will also **save on costs of disposal** and **benefit the environment.**

THIS IS HOW IT WORKS:

- **Use the box** of the remanufactured parts to return your used cores.

- **Contact your authorized WABCO partner** www.wabco-auto.com/findwabco to pick up the box.
 - **You will receive a refund** for the surcharge you've paid with the purchase of your remanufactured parts.
- It's as simple as that!**
